DEDICATION

The Senior Class, publishers of "The Last Leaves of '41," wishes to dedicate our publication to our beloved parents. Without their sincere interest and help during our twelve years of schooling, many of us would have found the hill of education too steep to climb.

We wish to offer our heart felt thanks to Miss Esarey for her kind co-operation with the members of the annual staff. To the rest of the faculty we also offer our sincere thanks for the help and advice that we have received from them.

We have tried to make this annual as interesting to our Alumni as it is to the members of Larwill High School, therefore we hope you notice and like the changes we have made from the previous annuals. It has been our goal to make this the best annual that has ever been published at L. H. S. and we hope our goal has been reached. It would not have been possible to reach this goal without the publication of the previous annuals so we do not justly deserve all the credit for the quality of the annual.

CLASS POEM

We the class of Forty-one,
Know our school days are almost done,
Soon our ties to Larwill will be broken
And we are given a diploma, as a token;
As from these portals we must go
To find a place in which to grow;
So Seniors just sit and think
Eyes blurred and beginning to blink
For we know as well as you
With Larwill High, we're almost thru.
We've all worked hard and had our fun,
And sincerely wish it had just begun
And say with our very, deepest thought
Always remember what we've been taught;
But now that it's nearly at an end
We start the path of success to ascend!

ONWARD YOU SENIORS

(Beautiful Ohio)

Climb---ing up the lad---er to a hap-py life
Attend---ing Lar-will High School five days each week
Shirk---ing in our les---sons ev---ery day we could

Ev-----en though it has been an aw-ful strife
If we were't good, we'd get slapped on the cheek
Surely none of the teach-ers ev---er thought we would

The---re are man-y tears, af-ter all these years
And the teach-ers would say, ev-ery live-long day
But now we are through, ev---ery one is blue

Go-----ing out in life to do our life-long work
That we would ne-ver get to our Sen-ior year
Go-----ing to part and may-be nev---er meet again

Sure---ly there will be none of us who'll shirk
But you can see that we all are here
But we'll prob-ly meet you all in He---ave-----n

On---ward you Sen-iors, on-ward to su-cc---ess
Wait---ing for a dip-lom-a, wait---ing pat-ient-ly
Stop now you Sen-iors, and leave it to the rest

Go out and find your hap-pi-ness
All of our hearts are filled with glee
We've worked hard to do our best

THE CLASS FLOWER

We, the class of '41, have chosen the White Carnation as the class flower because of its loveliness and fragrance. The white stands for the purity, which represents the class.

The carnation was first grown in Southern Europe. It was then a humble plant classed as a weed. Then it was taken from its poor environment and placed in laboratories, where it has grown into one of the most beautiful flowers of the world.

And so we, like the carnation have been taken in our youth and placed in schools to be educated, cultivated and developed into useful citizens of our country. Through our determination, and help from others, we have sprung from a mere bud into cultivated and intelligent persons.

So let us use the symbols of this flower, purity and loyalty, in our daily life and show the older generation that their work was not in vain, that we appreciate their cultivating that mere bud into what we are today. We will keep on growing and being cultivated, to fit into the more useful and necessary needs of life.

----- Jack Adams

CLASS COLORS

We, the Senior Class of 1941, have chosen green and white to be our class colors. Green stands for safety and white symbolizes purity.

We will, in the future, strive to keep living as pure and safe as we know how, although the highway of life seems very troublesome and difficult.

----Chester Wright, Jr.

HISTORY OF CLASS OF 1941

In the fall of 1937 there were forty-nine green freshies starting to push the door of success, but during this year and part of the year of '38 we gained and lost some members. Robert Blanchard, Maxine Moore and Paul Moore decided they would go to Etna High School. Juanita Webber did likewise, only she enrolled in Warsaw High School. Four people took their places; Eugene Hull came from Washington Center, Naomi Studebaker from Sidney, June Hawthorne from Fort Wayne and Betty Landis from Pierceton.

In the fall of 1938, we had about the same enrollment as when we were Freshmen, only James Groves, Jack Jackson and June Hawthorne left us, to enter, other schools or other work and Arissa Hodges from Pendleton High School joined our group.

In the fall of 1939, we started out our Junior year with a few changes; Hazel Barney and Betty Barney left us during the summer and Willis Burnworth, Dean Williamson, Don Beard and James Groves joined us after a years absence. Edna Mettler, Omar Loe, Jessie Starbuck and Eunice Ellis also joined us this year. Doris Weigold left late in the year, leaving us with a total of fifty-one.

In the fall of 1940, we started out our Senior year with fifty-four members. We had four new ones to enter this fall; Lucille Jones, Paul Kite, Robert Huntington and Franklin Blanchard. One of our former classmates came back from Albion, Hazel Barney. A couple of weeks later Betty Barney returned and entered the class. Robert Blanchard, transferred his membership from North Webster to our class but did not stay to finish the semester. Others who dropped out were Franklin Blanchard,

who quit to work, and Berniece Jackson, who decided to have a Mrs. put in front of her name so she left us after December 18. Dean Williamson stayed in Elkhart, and Jessie Starbuck was married during the summer, so neither re-entered.

During the four years spent in high school, our class has received their share of honors. As Sophomores we won the boys' Interclass tourney, the girls' Interclass tourney and received the banners given, in green and white and white and green. Since then the boys repeated as Juniors, winning the trophy, and as Seniors winning the '41 trophy. Pearl Miller, as a sophomore won first in the County Latin Contest, Willadene Cornelius won first place in the W. C. T. U. oratorical contest, and in the County Oratorical contest.

Throughout the four years we have had boys place on all-county teams in softball, basketball and track. Our boys have had a lot to do with winning the softball tourney for the four years they have competed.

Early in the Freshmen year the class met and elected class officers. They were Ansel Deeter, President, Chester Wright, Vice President, Jay Millard Secretary-Treasurer. These officers have served faithfully and well the past four years.

Just before Inter-class tourney time the class chose green and white as their class colors. In their Senior year they chose the white carnation as their class flower, and "The Doorway to Success is Marked, Push" as their motto. Early in the Senior year they decided to have an annual and at an early meeting named it "The Last Leaves of '41!"

Social activities included two parties in the Freshmen year, held at the Community Building and at the home of Velma Roby. Mr. Gunner Gunnerson,

was the class sponsor. As Sophomores, the fall party was held in Reids woods, and the spring party was held in the gymnasium. Miss Elaine Esarey was the sponsor. As Juniors the fall party was held in the Columbia City park and the spring one did not happen. As Juniors, after faithfully getting all the money possible from selling candy and other ways, the class delightfully entertained the Senior class at the Hotel Keenan at Ft. Wayne. Later in the evening they were hosts to the class of '40 at the Emboyd Theater. Miss Lois Walter sponsored the class, this their Junior year. Class rings were purchased from the Balfour Company, during the year. Early in the fall of '40 the members of the Senior class held a very successful party at the school house. In a sales contest held the year before, the girls lost, so entertained the boys. Mr. Eudolph Holycross was sponsor during the Senior year.

Members of the class, still in school, and hoping for graduating honors, are Jack Adams, Eldon Anderson, Marilee Austin, Leland Bair, Bette Barney, Hazel Barney, Don Beard, Vernelle Binkley, Willis Burnworth, Luther Colvin, Willadene Cornelius, Merle Davenport, Ansel Doeter, Paul Fields, Eunice Ellis, Alice Gaff, Forrest Gaff, Ellen Gaff, James Groves, David Harter, Marian Hile, Arissa Hodges, Harold Hoover, Robert Huntington, Hildred Hyndman, Mildred Hyndman, Marie Kistler, Lucille Jones, Paul Kite, Betty Landis, Betti-jo Line, Lloyd Mertz, Maxine Mathias, Edna Mettler, Jay Millard, June Miller, Pearl Miller, Richard North, Mary North, Glen Reid, Betty Schuman, Dale Roby, Velma Roby, Betty Sroufe, Naomi Studebaker, Eugene Vanderford, Max Wilkinson, Mildred Williamson, Chester Wright and Paul Western.

We are proud of the fact that we started with the largest class in the history of Larwill and are finishing with the largest ever to graduate.

"THE DOOR OF SUCCESS IS MARKED PUSH"

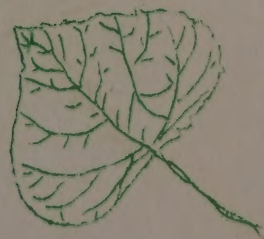

The Senior Class of 1941 chose their motto with an eye to the meaning as well as the sound. We, as seniors want to go forward, after our graduation from high school, keeping in mind this motto as our guide post in times of failure and discouragement.

The dictionary says, a door is a means of approach, success is a favorable termination of anything attempted, marked is anything labeled, and push is a means of endeavoring to move by pressure.

Put them all together. Now you have a fair idea of what we have put before us. The means of approach to a favorable termination of anything-attempted is labeled ENDEAVOR TO MOVE BY PRESSURE.

Just so must we go up and on through the Door of Success. Pushing our way, working as if we expected to get somewhere. There will probably be falls along the way, but if we get up, laugh and push on, profiting by our failures, let us hope we shall find that object in life we have pushed forward to--"Success."

---- Arissa Mac Hodges

SALUTATORY ADDRESS

Parents, friends, and faculty members--We the members of the graduating class of 1941 extend to you the most cordial of welcomes.

We, the Senior Class, the largest in the history of Larwill High School, have come to the end of our high school education. Soon we are going to try to prove to the world that we gained something worth while out of our twelve years of school. Some will go to higher institutions of learning in order to specialize in a given field, while the rest will take up some phase of work in many different fields.

Whatever we accomplish, we will give due credit to the school system for the part that it played in our success.

We have been the source of concern for our parents and teachers. Through this, we have learned that their faith in us has never failed and we are going to do our best to fulfil that faith that you had in us.

The Senior Class of 1941 again says "welcome" to you, with deepest sincerity.

----- Luther Colvin

VALEDICTORIAN

We, the Senior Class of 1941, wish to express our thanks and gratitude to our parents, teachers, classmates, and friends for helping us to complete, in the best way that we know how, this great educational achievement.

We have been taught, guided, encouraged, and comforted by your teachings; therefore, we are not afraid to face the facts of this fast, progressing world of ours. I am sure that everyone has received a good background for his ambition in life.

To you, parents, we owe our gratitude for helping us to acquire an education, that asset which prevails throughout our nation. To you, teachers, we are indebted for our skills and training which are acquired through our efforts and yours. Classmates, we want to thank you for your fine friendship, which we will miss very much. And to the friends, we certainly want to thank you for your interest in school activities and programs.

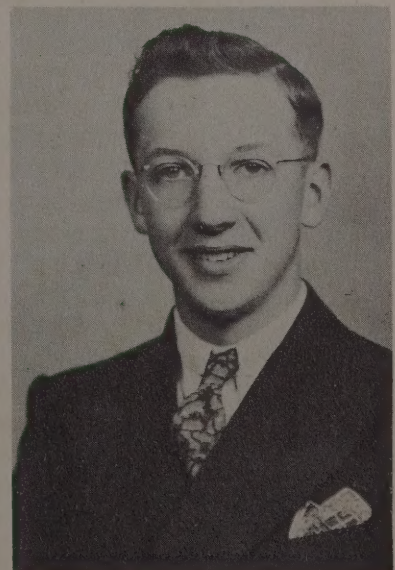

As we close our high school activities, I wish to express my hope that we will all live up to our expectations and not one of us fail.

We wish to thank you, one and all, for such a grand and glorious school life.

Naomi Studebaker.

LUTHER
COLVIN

Dear Class of '56:

We will be very glad to answer some of the questions about members of our class and their work on this modern Utopian Island.

The Island we are on is thirty miles off the Florida coast, Latitude 25 and Longitude 79. The Gulf Stream flows close; it causes the weather to be uniform not varying over 20 degrees the year around. It is an island about 20 miles long and 8 miles wide, so you see we have plenty of work for the fifty members, who settled and who maintain it for their home. We export a lot of our goods as well as import the things we need. The island is well covered with timber and we have cleared away a lot of it to raise every crop and vegetable that we have any need of.

Now I'll tell you what some of the members are doing here. Some come, stay awhile and go to work they enjoy elsewhere. Ansel does. He is now happily married to Marilee and they are planning to go to California for the latest Gold Rush, since Ansel, a civil engineering graduate has some interests there. Paul Western and Max Wilkinson are managing a girls' Dancing Show, and are doing quite well at it. They live here in the winter and work in the states in the summer. Forrest, who always was aviation-minded, runs a small model air plane factory with Eugene Vanderford. Eugene is getting along very well with Pearl as his helpmate.

Jack Adams and June are successfully running a saw-mill at Pukerfuddal, a small town on the Island. On main street, in fact the only street, Luther and Edna are operating a school for people just newly in love. Since the enrollment exceeds 5,000, you can see that it is carried on extensively by correspondence. At the edge of the city you can visit Eldon and Betti-jo, who are happily married and operating a large farm. Jay Millard, is the minister, and Lloyd Hartz is his assistant. Jim Groves does a brisk business as a shoe cobbler at times, but since the climate is what it is, Jim has plenty of time for snoozes between shoes. Rich North is in charge of the schools at Pukerfuddal; (don't ask me who is in them). Chester Wright and Mildred manage a meat market on main street of the city, where Mayor Huntington calls quite frequently to gossip. Mayor Huntington's chief duty seems to be to oversee the work of the Street Cleaner and Public Health Officer, Paul Kite.

Paul Fields and Eunice are running a large Dairy, and ship grade A milk to the states. Betty

and Hazel Barney are running the "La Charme" beauty shop, and on the side take care of the public library. Hildred and Mildred make the island their summer home and work in Max and Pauls' shows during the winter. They have traveled over the whole of the known world in the past few years.

David Harter, who inherited money from a rich uncle, and Willadene are spending an interesting and gay life here, while David, as a hobby is building an ark to protect the people of the island in case another flood comes. Leland Bair and Naomi have gotten together and raise very nice vegetables on a truck farm. Harold runs a small tugboat from here to shore every day and he is enjoying life quite happily as a bachelor. Vernelle runs a tourist home and is still waiting for that certain man to come along. Don, Willis and Merle take care of all the tourists who might be interested in the Island as a place to settle to get away from the hurry and bustle of life.

Arissa and Marian have pooled interests and run a delicatessen shop in Pukerfuddal. Ellen and Alice Gaff, who were always inclined to be artistic, draw the advertisements to entice people to see Paul and Maxs' Dancing Shows. I forgot to tell you, Lucille is kept very busy keeping house for Richard North.

I called on Dale the other day and who do you suppose was on the dais modeling for him? Marie Kistler, of all people. You knew of course, he has a reputation as an up and coming artist. I saw Mary and Betty Landis on the porch of their business. They are the sole proprietors of the ice business here. Across the street is Maxines' Turkish Bath House. Upstairs from the Turkish Bath House is Betty Sroufe's Reducing School. She has a very fat enrollment. Betty Schuman is hostess at Velma Robys Ten High Hotel. Glen Reid owns a yacht and carries passengers on cruises when he chooses.

The members of the class seem very happy here and think they have been quite successful in the work they have chosen. There are many other people here, but I have spoken of only the ones which you know. We feel the education which we gained while at Larwill has helped in laying the foundation for the happy life here, on the "Most Perfect Island".

Yours truly,

Class of '41

CLASS HISTORY

The Junior class of Larvill school, consists of thirty members. We are the smallest class in high school.

In our freshman year we started with thirty-three and ended with twenty-nine. Bonita Hickman, withdrew and went to South Whitley, Wilbert North to South Whitley, Juth Jackson to Sidney, and Valeta Suter to Pandora, Ohio. Taking their places were Argyle Beard from Columbia City and Maxine Hurd from Jefferson Center.

At the beginning of our Sophomore year Robert Moore was missing. Robert Hollopeter, from Wolf Lake; June Marker, Norbert Groves and Paul Groves from Etna joined us at the beginning of the year.

We started our Junior year with Robert Hollopeter and Norbert Groves missing. Arlis Orcutt, joined us from Etna. Phil Mosher withdrew in September, Glenn Holycross withdrew in November Harriett Ward, in October. Alyce Hill from Churubusco joined us in March, making just thirty members.

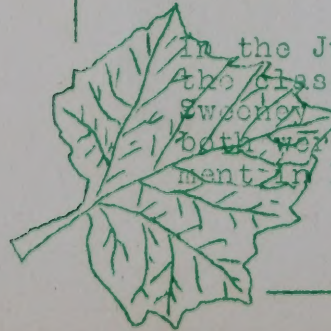

Class officers are President, Dale Johnston, Vice President, Lois Sweeney, Secretary Treasurer, Harold Martz.

The present members are: Argyle Beard, Eldon Brown, Russel Brandenburg, Addie Cramer, Lauretta Cummins, Jo Ann Dimmick, Mildred Firestone, Jesse Gaff, Paul Groves, Archie Hartman, Velma Hertsel, Alyce Hill, Ruth Johnson, Dale Johnston Dorothy Julian, June Marker, Junior Marrs. Harold Martz, Rachel Miller, Eugene Norris, Violet Norris, Arlis Orcutt, Treva Schuman, Paul Studebaker, Lois Sweeney, John Tuttle, Edna Waterson, Dean Whiteleather.

As freshmen, Lois Sweeney, Violet Norris went to the Algebra Contest. In the Sophomore year the girls won the inter-class tournament in basketball. Robert Hollopeter placed second in the 1st year Latin contest. Lauretta Cummins went to the Geometry contest at Manchester.

In the Junior year two girls were chosen out of the class for the school yell leaders, Lois Sweeney and Juanita Rose. The girls and boys both were runners-up in the inter-class tournament in 1941

HI-Y CLUB

The Larwill Club was organized in the spring of 1940 with fifteen boys chosen from the upper three classes, five from each class. The officers chosen were: President, Lloyd Martz; Vice President, Herman Steursel, Secretary, Bonnel Helfrich; Treasurer, Ansel Deeter and Sergeant of Arms, Jack Hively.

On February 5, 1940, which came on Monday, the Hi-Y held their first meeting as a club. The Hi-Y of Huntington, Indiana journeyed here in the evening and performed the initiation ceremonies for eleven of the Larwill boys. On Wednesday March 6th, the Club held its own first initiation, with four new members being added.

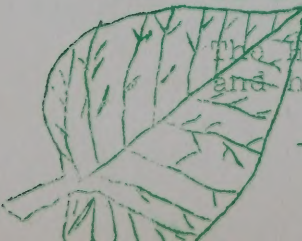

The first meeting of the present school year was held September 27, election of officers was discussed, and the next meeting election of officers, was held. Those chosen were, President, Willis Burnworth, Vice President, John Tuttle, Secretary, Luther Colvin, Treasurer, Robert Stangland and Sergeant of Arms, Ansel Deeter.

The Club this year has been following various projects and activities. They are now working on a Trophy case for trophies won by the school. This case is to be installed in the lower hall of the school house where all may see.

The club is financed through shows and other amusements. The first year they held a donkey basketball game and this year they held a magician show. People of the community have been very generous in attending these programs.

Meetings of the club are held twice a month, every other one being held in the evening after which refreshments are usually served. At these meetings, work on projects or plans under consideration at the time, is done.

The creed, which includes the desire to create, maintain and extend throughout the community a high standard of Christian character, is being used as a guide.

The Hi-Y has now grown to have a membership of 24 and hopes to become larger and better.
